I am from Winnsboro, SC. My parents moved us from the historical rural town in 1996. The town will be crippled if this closing is allowed. It is the only place for the towns people to shop. When Walmart came they closed the doors on the other grocery stores there and made Walmart the sole place for them to shop. I would estimate 95% of the town lives below poverty level. Back in the mid to late 90's Uniroyal and Mack Truck's manufacturing plants mai. locations were in Winnsboro . Business was booming, but unfortunately oversees offered more opportunity. That would be like BMW and Michelin leaving all at one time. Shortly after their departure HIV spread like wild fire, mental illness erupted and of course crime rate spiked at an astronomical rate. Winnsboro is still one of the highest populations of HIV cases in SC. These people are barely living in a country that is said to be the "Land of the Free" and "The home of the Brave." Bureaucracy is destroying the towns people because no one is wanting to advocate and use their voice and stand up to these mega corporations because they feel it is pointless. These people need help and it is time they got it. This is America and our people should not go hungry and they should not have to live a life full of empty promises and despair. It hurts me to see misery so thick in their midst. Please keep this location open and give them some type of hope.

I am signing this because Winnsboro is my home town. It will die without Walmart. The town of Winnsboro SC only has 1 other grocery store in town. The town has survived lost employment before but to loose their only life line will kill the town. One of the oldest towns in US. It has so much history. It has survived so much. There are so many towns with 3 or more Walmarts in it. This is Winnsboro SC only store. 30 minutes to the next Walmart. The elderly and disabled will not be able to travel that far. To kill a town by taking their life line is not good business. The unemployment of 1600 workers in a town where there are NO jobs will kill it too. Take some other location if you need to . A town with more than one Walmart. Rethink think your decision for Winnsboro SC. Please

Wal-Mart is the pulse of our community. Many workers there have no car so walking to their job is important. Our schools conduct incalculable charity and community events there. With the Wal-Mart gone, what are our students supposed to do? Heck, what of our students that work at Wal-Mart and have to WALK to get there. How are they to support themselves?
