The agenda covers all those topics. I've revised with these descriptions under the corresponding agenda item.

Austin,

Can you give me a description in one or two sentences what each agenda item is supposed to be about? The important topics that I was thinking:

- 1) All hands on deck for Shwedo. Help him know what the agencies can offer and give him x# of your best constituent svc people
- 2) America's role in dealing with bulk donations and requesting help from any of the companies directors hear from who want to help. Let Marcia speak. Resources working with non profits to get to the people who need them.
- 3) Welcome Hall and new DMV fella to the team
- 4) Thank yous to Team SC. We are in dual roles now. Run the state, and storm recovery. Touch as many hands as we can. Can't is not an option.
- 5) Challenges of the storm, where do we go from here. Thoughts, questions, concerns.

These are not in order. I'm fine with your list. I just want to make sure my items fit in there somewhere. I'm sorry we didn't get time to discuss this today. If you need me to be ready earlier tomorrow to go over, please let me know.

Thanks.
