Glad to hear you're back on your feet. I have an hour or so after we wrap on Monday before I have to get back on the road, so I'd be glad to grab coffee after the session wraps up, if that works.

Hi, Christian. I am back in the saddle (albeit gingerly) from surgery and Peter updated me on his meetings with you and other staff. Thank you very much for your time and discussions.

I am attending the White House meeting on Monday, the 8th and thought you might be also. I am hoping to hear more of your conversations with Erica and Jeff L and thoughts on next steps.

We could meet for drinks post the session end at 430pm if you are in attendance. Let me know and if not, I will plan to call you early next week.

All the best. Regards.

Rick
