Katherine, I hope al is well. Kelly Graham a great local artist and good friend would like to present a Christmas Ornament to the Gov. today in Bluffton. He's a local celebrity. Would you arrange it? I'm in CA with the School Choice conference.

Regards,

Bill

Kelly- I would love that but am on the west coast for business. I'll forward this email to Kathryn Veldran, The Gov's assistant- she should be able to pull out some time and she undoubtedly knows your work, she's from here.

Hey Bill, I have some samples of my palm/moon Christmas ornaments that I would like to present to you and to Governor Haley tonight. Can you get me a minute with her before or after her visit? Here is a photo of my design, which is turns a natural byproduct (Longleaf pinecones) into a recognizable symbol of our state pride. Obviously, this is a SC artist's 'green' creation that is made in SC from SC cones! Let me know what you think.

Best,

Kelly
