**Subject:** Scheduling Request for Financing & Affordability Committee

---

Hi everyone,

I am writing to ask for your help in identifying a time for our Financing & Affordability Committee to get back together in the next couple of weeks. Please use the Doodle Poll link below to let me know about your availability for the possible meeting times. **Please respond by Monday morning, October 27 so that we finalize the time soon.**

Since this committee has had good conversation about critical issues over the past months, we are working to develop a list of themes/recommendation areas from our previous discussions for your review prior to our next meeting. We hope this information will be helpful as we work to develop and finalize any possible recommendations you would like to submit to the steering committee for its meeting later next month.

I will be in touch again once we set a time for our committee meeting with the information for your review and input!

Thank you,  
Eleanor
