Subject: Interview

Chaney – I'm requesting an interview with Governor Haley. Any time before the end of the year?

A good portion of our viewing area covers South Carolina – York Chester Chesterfield and Lancaster Counties.

I'm am the Main Anchor here at Fox and the interview would be a one-on-one with me.

Topics: Election, Role as Vice Chair GOP Gov's assn, 2017 agenda, Hurricane Matthew recovery...

We would come to Columbia of course.. or if she is up this way soon we could do it then.

Let me know

Thanks
