MSNBC's Mika Brzezinski recognized a double-standard in the media Monday, saying a Republican wouldn't have been able to get away with Dick Harpootlian's comment, where he vowed to send Indian-American Gov. Nikki Haley "back to wherever the hell she came from." "Let me just say, fair enough, that if a Republican did this we'd be covering it like crazy, so we're covering it because it was wrong and those statements were absolutely wrong," she said. "I don't care what he meant. He should just say he regrets it."
