Dear Chaney and Brian, thank you so much! Unfortunately my schedule flipped another time. I'll have to be in Atlanta now today's evening around 5. I think to manage that wouldn't allow me to come out to Marion. I am so sorry!

But I will be back in SC next year to research a story about the relations of the US-German-Economy. I think SC would be a perfect spot for my research. Do you think we could set up an interview with Gov. Haley in this topic then? I will probably be in SC in January/February 2017.

Best Simon

Simon,

I have copied Brian on this email. If you are able to make it to Gov. Haley's Team SC day tomorrow he will be your point of contact, as we discussed.

I have also attached your picture with the governor. Please let me know if their is anything else you need.
