Subject: Governor Haley Photo Request
Attachments: [Nikki Haley.jpg](#)

Ms. Adams—

We are proud to count Governor Nikki Haley among the 59 million Girl Scout alumnae. I am reaching out because Girl Scouts of the USA is installing a new visitor experience center at our headquarters on Fifth Avenue in New York and we are requesting that the attached photo of Governor Haley be included as part of the design element in our exhibit space.

We would be so grateful if you would permit Girl Scouts to include Governor Haley's photograph as part of this exhibit which will be visited by thousands of Girl Scouts and volunteer leaders across the country. We hope that this exhibit and Governor Haley's presence in it will inspire the next generation of young female leaders to reach their full leadership potential.

Thank you for your consideration of this request. Please contact me, Corinne Pickus, at cpickus@girlscouts.org by Friday, October 30th with your approval.

Thank you,
Corinne
