Tony.

A meeting has been set up with Senior Options in Laurens County this Friday at 10:00 am (address: 512 Professional Park Rd, Clinton – behind the hospital halfway between Clinton and Laurens).

The meeting attendees will consist of:

James Hill, Senior Options (may be others from his office present)
Vanessa Wideman, USCOG
Linda McAllister, USCOG
Trish Hartung, USCOG
Tony Kester, Lt. Governor's Office on Aging (may be others from his office present)

Thank you for your willingness to come to Laurens County. Hopefully, we will all leave that meeting with a clear and exact understanding of what is expected to resolve the "assessment" issue permanently so that we can move forward.

Trish
