If everything works – 30-45 min per. I can work on both at the same time; lots of down time just letting the computer run.

FYI below.

Both of us will need this to be installed.

How long will it take for each computer?

Chris,
Hope you had a nice weekend. Today is Hayley's first day with the Governor's office. She is joining Katherine Veldran on the Governor's Legislative Affairs team and will be our latest IQ user. I will introduce Hayley to the system on Wednesday at 2pm. Please make sure she has everything installed, including the Outlook plugin.

Thanks,
Jason
