**scstateparks** If you're headed to a state park, please ensure you check our website and social channels for any park updates. Please note, once a state park has reached capacity, the park will close its gate and will not reopen until a safe capacity is reached. Thanks for your patience and understanding! ❤️ 📍: @valerielamottdesigns 📍 Goodale State Park at 14:39:17 on 5/03/2020 UTC

[baggaston](#) Over 20 cars at Goodale this morning. I have never seen that many people in our neighborhood state park. Everyone was enjoying themselves and keeping proper spacing. Many thanks to all those making it possible to Get Outside!

[joegrunt](#) My local grocery store has a 78 person capacity. I have no idea how someone calculates max capacity of an open park - just open the parks.

[maree159](#) I live in murrells inlet, have a yearly pass for the parks, i was not able to get into MBSP or Huntington Beach state park today due to full capacity. I was at MBSP at 1230 I'm wondering how many people were allowed in before me? Its a pretty big beach.
