## Bill Butler—66 DAYS ADrift

January 20, 2016

Governor Nikki Haley and family,  
1205 Pendleton Street  
Columbia, South Carolina, 29201

Dear Nikki..

Thank you so much for your Christmas card. What a beautiful family!

Watched you closely on TV during the past two weeks and am so pleased to note that you are on the way to fulfilling my dream as our future national leader. The system at hand is not easy to deal with but the steps you have taken are all in the right direction and some day, the Lord willing, you will pop to the top.

Your response to President Obama went right to the point. As I have mentioned before, I am registered as a No Party Affiliation voter in Miami. As of today, Donald Trump has my vote.

I'll continue to watch you closely and pray that the day you will straighten out this warped nation is not far away.

Best wishes to you and Michael  
and to Renae and Wade
