MagWin Screen Magnifier and Reader

MagWin Screen Magnifier and Reader

Become a MagWin Screen Magnifier/Reader Beta tester.

We are rolling out our newest release and looking for beta testers. This new version features a new user interface, increased performance, and compatibility with Windows 10. We are looking for people to provide us feedback and input to make this program even better.

MagWin is an affordable and portable screen magnifier and reader. Available on a USB stick, it is completely mobile.

If you are interested in becoming a beta tester along with some of our extra beta program perks, simply reply to this email.
