Re: F-35B

Dear Governor Haley:

I am writing to thank you for supporting the Marine Corp Air Station and the men and women who are stationed at the Air Station in Beaufort, South Carolina. We welcome the F-35B or any other aircraft needed to support the Air Station. We are proud to be one of the neighborhoods near the Air Station and we love to hear the jets, we believe it is the SOUND OF FREEDOM and we thank these men and woman for their fine service to the USA.

Sincerely,

A handwritten signature in cursive script that reads "Barbara" followed by the date "3/12/15".
