## South Carolina State Parks

at 0:00:00 on 11/15/2016 UTC ·

This Saturday - Nov 19 - join us for Predators of Land, Air & Sea at Myrtle Beach State Park. We'll have birds from the SC Center for Birds of Prey, local shark research on the pier, live snakes and lizards -- and more! Admission to the event is free with two canned food items! More info here:

### Predators of Land, Air, and Sea

November 19, 2016

**10am - 11am: Pier Sharks**  
Seen any sharks lurking around the pier? Ever wondered if it's the same shark you're seeing day after day? Come find out from a Coastal Carolina University master student as she presents her findings on the movement of resident sharks around local fishing piers. Meet in the Activity Center.

**1pm - 2pm: Live Raptors in Flight**  
Enjoy an awe inspiring free flight raptor demonstration from the SC Center for Birds of Prey. Watch live birds soar above and around you as you marvel at their unique hunting and flying techniques. To ensure the safety of the live birds, smoking and pets are prohibited. Feel free to bring a chair. Admission: Bring two canned food items per person to the Overflow Parking Lot. Park admission also applies.

**3pm - 4pm: Snakes and Lizards**  
If a lizard has no legs, does that make it a snake? Come find out how to tell the difference between these reptiles. Using skins, skulls, models, and live animals, discover the variety of snakes and lizards commonly seen in the park. Meet in the Nature Center.
