I'm confirming receipt. You all approved a Form 1 last week for Davidson and Lindemann to represent our office and DSS in this suit.

Thanks.

I am writing to confirm that the Office of the Attorney General is not representing any party to this suit. The Office of the Attorney General received a copy of this suit and understands that DSS and the Governor's Office have been served. Counsel for, I believe, the World Relief defendant has contacted this Office twice about this case. B/c of those limited contacts, and the absence of any request that the Attorney General's Office represent one of the Defendants, I want to make sure that you understand that the Office of the Attorney General is NOT representing any defendant to this action now. I have also emailed DSS. I don't know whether the Governor's Office is requesting DSS assistance with representation.

Please confirm receipt of this email and let me know if you have any questions.

Thank you.
