Emory:

Please review this version of the Petition. The omission of your paragraph concerning the State was my fault and I apologize for that. I have multiple versions of the Petition saved on my computer. At one point, I had what I thought was a "final" version (which included your insert) and then I think someone at the General Assembly sent a "revised" version which did not have your paragraph in at the time and I neglected to include it.

I have added the Governor as a moving party and added your paragraph concerning the State at the end. If you would recommend a better place for your paragraph, please let me know.
