Gov. Nikki Wallis,

My name is Helen Maloney I live at.

127 Hartsville Dr. Taylors, S.C. 29687

My phone is 864-244-1157

I have a problem & a question. I am 86 yrs old
I have lived @ my home since 1987. I am a
widow. Do you know of any way property
taxes of people from 75 yrs old & older to stop
paying these taxes. It isn't fair if we can live
in our homes for the rest of our lives & live on
S.S. monthly to come up with these taxes,
I live on \$1101 a month & with Elec. & other
things going up no matter what I do when tax
comes it is extremely hard, I get \$16 food stamps.
by the time my bills are paid there is nothing
to put aside for tax. I do not spend foolishly,
Even buying or paying for meds. (I pay what an
income) going to hrs. I can't pay co-payment because
don't have it.

Isn't there something to help us? We
worked hard & want to stay in our homes.
Can't ask fam. because they are having
prob. themselves. There are many older ppl.
who need help. Please help. Thank you for
caring. I remain Helen Maloney
