Subject: scheduling our Lt. Gov.

Dear Mrs. Cogdill,

We would like to schedule our Lt. Gov. to meet with our brokers this summer. We meet on Tuesday mornings at 8:30. If you will give us a Tuesday date that will be convenient for him, we would certainly appreciate your assistance.

We have about 12-15 in attendance for 30-40 minutes. Generally, our presenters speak for 20 minutes and then receive questions from the brokers. Our office is within 6 minutes of the Capitol at the northern end of Main Street between Main and Assembly.

Should you have any questions, do not hesitate to advise. Thank you for assisting us in this regard.

Respectfully,

Det Bowers
President
