## South Carolina State Parks

at 14:08:24 on 7/30/2010 UTC ·

Happy FRIDAY! Let's get down to business! There's a new way to earn money for YOUR favorite SC State Park. Coca Cola is donating \$100,000 to the park who gets the most votes in their Support America's Parks contest. Since we have 47 parks, we don't want to dilute our vote....so we're taking a poll. In this thread, list the park you want us to promote to vote for. Whichever park is mentioned the most is the one we'll focus our promotional efforts on – but of course you can vote for whichever one you like. Vote early and vote often at the link below. Tell us which park we should promote.

### Help Support America's Parks!

You can help donate to America's parks simply by voting for your favorite. The park with the most votes will receive a \$100,000 grant from Coca-Cola.

**Shelley Green Robinson** I am torn between two:

\* Table Rock is fairly local to me, and I have been there recently.

\* But, the Hunting Island coastal location is probably more in need of conservation efforts. I haven't been there in probably 30 years or more. I do hope to make it there this week as a day trip while we are vacationing at the Isle of Palms.

So, my vote goes to Hunting Island.
