Looking bad down there with turnover. Just sharing.

State appointment whom I was told (before the last guy left) "was heading to Senate" and we can't find his contact information or know where he is in process?

Sir,

Can you please have someone send me Mr. Danielson's contact information so I can see where he is in the application process and touch base with him?

Also, I've received Kevin Hunter's resume and board interests and are looking for something for him now.

Thanks,  
Katie

Katie, see below regarding Bill Danielson and DDSN board. We need his confirmation to occur before session ends.

Please let me know this will happen.

Nathan, thanks so much for what you did to get Bill appointed to the Commission for the Department of Disabilities and Special Needs. He will make us all proud, even if he is a bit colorful at times!!! I understand that he still has to be

confirmed by the House and the Senate. Is there anything I can do to help get this accomplished before the end of your session? DDSN really needs Bill's experience and "business" sense from a conservative standpoint to help citizens with special needs. Let me know if there is someone I need to call. Thanks again for making this happen!
