Ms. Glenn,

Thank you for your correspondence. The Lieutenant Governor shared your e-mail with me and asked that I respond to your concerns.

The Alzheimer's Association approached the Lieutenant Governor's Office on Aging two months ago to discuss moving the respite voucher program to our agency. The Alzheimer's Association thought our aging network would be the best avenue to administer this program. As a result of this effort, it was determined the respite voucher program would move to our agency effective July 1, 2013.

This was not a program the Lieutenant Governor requested or an initiative he began. I regret the transfer of this program impacted your position.

Sincerely,

Tony Kester
