Re: Jay Mandyam is a stand-up comedian from Dallas, Texas of Indian descent. He is performing at the University of South Carolina on Friday, August 19 at 7:00PM. He invited the Governor to come out and watch the show. He said he grew up with traditional Indian parents, who tried to instill in me that Indian people can only be doctors, lawyers, or engineers. Jays sees Governor Haley as an inspiration to people like him, who have deviated from the "traditional" path and chosen to pursue a career they have a passion for. His comedy focuses on himself, and growing up in Texas, his relationship with his parents, girls he has dated, etc. I really hope that Governor Haley can make it out. If not, would love to meet her for a few minutes while I am in town. Thank you for your time.
