Hi Tony,

The Lieutenant Governor is unable to make this speaking engagement. Would you happen to be available on either date (November 6—7)? If so, I will get more information from Annie.

Thanks,

Darn it. Thanks for checking! If he can't come, I guess we will just have to get you there!

Seriously, is there anyone from your office that could come to discuss what's going on in the Office on Aging?

Annie:

Had a chance to review upcoming speaking/meeting requests with Debbie, and unfortunately, the Lieutenant Governor is not available November 6 – 7.

Missed you while ago, and told the receptionist that I'd just shoot you an e-mail. I'm back in the office from a meeting... just give me a shout whenever you have a free minute.

Thanks,

Hank,

Would you give me a call when you have a few minutes? Our client, the South Carolina Chapter of the Assisted Living Federation of America (SCALFA) is having their annual conference in Columbia this year November 6-7 and would love to have the Lieutenant Governor come speak. Andre & Ken Ard have done this in the past.

Look forward to talking more about this.

Annie
