## Legislative Update- Week Of 02/23/2016-02/25/2016

Here are the highlights from the seventh week of 2016 legislative session in the Senate –

**UPDATE ON ROADS AND BRIDGES** – The Senate continued discussion last week on different proposals to address our state's challenges with roads and bridges. The discussion was limited by a filibuster regarding reform of SCDOT. That filibuster dominated much of the Senate's work on the floor last week. I hope the Senate can move forward by taking up the reform proposals first. I will keep you updated.

You can see a list of active SCDOT projects in every county by going [here](#).

**2015-2016 FUNDS FOR COUNTY TRANSPORTATION COMMITTEES** – Every year the County Transportation Committees (CTC) receive a pot of money from gas tax collections for state and local road projects in that county. For this year budget year, those funds total \$80,800,000.00. Additionally, the General Assembly sent an additional \$216,329,114.00 to CTCs from General Fund surplus for resurfacing and maintenance projects on state roads. In our district, those funds were *projected* to break down as follows:

Aiken: \$2,740,673.00 (normal) + \$7,787,848.00 (additional) = \$10,528,521.00  
Edgefield: \$829,500.00 (normal) + \$2,509,418.00 (additional) = \$3,338,918.00  
Lexington: \$4,078,696.00 (normal) + \$8,523,367.00 (additional) = \$12,602,063.00  
McCormick: \$582,300.00 (normal) + \$1,773,899.00 (additional) = \$2,356,199.00  
Saluda: \$805,700.00 (normal) + \$2,444,519.00 (additional) = \$3,250,219.00

The final numbers to each county may be a little different, but these estimates should be pretty close.

**PAVINGS IN AIKEN COUNTY** – The CTC has proposed to use its *additional funds* for this year to resurface roughly 47 miles on all or portions of the following roads:

Ascauga Lake Rd.  
Langley Dam Rd./Sudlow Lake Rd.  
Reynolds Pond Rd.  
Wire Rd.  
Carolina Springs Rd./Womrath Rd.  
Dibble Rd.  
Old Dibble Rd.  
4th Street/Coleman Street  
CCC Rd.  
Old Sudlow Lake Rd.

Additionally, the CTC and/or SCDOT are planning resurfacing projects this year on all or portions of the following roads:

Old Aiken Rd.  
Old Friar Rd.  
US 1

SC 4  
SC 39  
Whiskey Road  
Camp Rawls Rd.  
Chalk Bed Rd.  
Cooks Bridge Rd.  
I-20 Eastbound MM 37 – MM 51 (approximate)  
I-20 MM5 – Georgia State Line (approximate)

**PAVINGS IN EDGEFIELD COUNTY** – The CTC has proposed to use its *normal and additional funds* this year to resurface all or portions of the following roads:

N. Martintown Rd.  
Georgia Rd.  
Two Mile Dr.  
Lloyd Rd.  
Long Cane Rd.  
Currytown Rd.  
Walker Rd. (hopefully, depending on other costs)

**I will try to get the proposed projects for Lexington, McCormick, and Saluda Counties for next week's email.**

**LIMITATIONS ON EMINENT DOMAIN** – The Senate gave 2nd reading to **S. 868**, a bill that would prohibit private, for-profit companies that are not defined as a public utility from using eminent domain to take private property. This is an important issue to many people in Aiken, Edgefield, and McCormick Counties, but the restriction on eminent domain would apply statewide. I hope the Senate will give the bill a 3rd, and final, reading this week.

### **Last Week's Meetings**

On Monday night, I attended McCormick County Republican Party's annual dinner. Congressman Jeff Duncan updated more than 100 in attendance on what's happening in Washington.

Wednesday was FFA Day at the Statehouse. I was able to meet with FFA students from Gilbert High School, Saluda High School, and Strom Thurmond High School. I was very impressed with these students!

On Wednesday afternoon, I attended Chief Justice Costa Pleicones's State of the Judiciary address. Pleicones became Chief Justice in January and will serve the remainder of 2016. The General Assembly is scheduled to elect a new Chief Justice in May.

On Thursday night, I held a town hall meeting in Edgefield. We had a lively discussion about roads and bridges and several local issues of interest.

On Saturday, I stopped by Circle Fire Department's BBQ fundraiser in Leesville. Our volunteer firefighters are tremendous public servants. Thank you for your service!
