Subject: Question from WJBF-TV

Hello Brian,

Will the governor be in Greenville Thursday? We are headed that way to cover a GOP event at the Bon Secours center. Just wondering if she will be nearby so that we might interview her as part of our daylong coverage.

We plan to have our satellite truck in place outside the arena by 10:15am Thursday. Our live shots will take place at noon, 5, and 6pm.

Thanks for any guidance you can provide.
