Katherine,

Just received this email. After session, I have a committee meeting, so meeting this week probably won't work at this point. I could probably meet Tuesday morning before session.

Subject: H.3945 - Independent Investigations

Katherine,

I have attached our proposed amendment for independent investigations to H. 3945 and a summary and flowchart that gives a brief overview. We have provided this information to and met with some members of the Special House Judiciary Subcommittee. In advance of Full Judiciary Committee next Tuesday, we would like to provide this information to and meet with members of the Full Judiciary Committee. Please help coordinate a meeting with members. I am also available to speak with anyone at their convenience. My cell is [803.665.0259](tel:803.665.0259).

Thanks,

Swati
