I haven't read any stories yet today. I've been writing. But I'll keep it open in my browser as one of the 10 tabs that I need to get to at some point.

Thanks. J

This is one of the top six most interesting stories I've read today: <http://www.nytimes.com/2016/08/11/us/politics/hillary-clinton-money.html>

Quote from Haley press secretary Chaney Adams, "As she said earlier in this week, the governor is focused on her job, and the great things going in South Carolina, and that's where her focus will remain over the next three months - not on the daily back and forth in the Presidential campaign. However, there is no place, zero, for even the slightest suggestion of violence in a political campaign. It's not who we are as a people or as a country."
