Subject: Fwd: HELP SKIP HOAGLAND FIGHT CORRUPTION IN BEAUFORT  
COUNTY / Charleston / Myrtle beach and state wide

FYI , We are coming to Charleston soon to save your city millions in abuse from  
Helen hill and the cvb . There is no escape once a forensic audit is done . Her  
lawyers can not prevent this !

Myrtle beach next !

Never in the history of the USA has a CVB DMO or chamber had a completely  
independent forensic audit conducted that came out clean . Please note the  
Palm beach cvb audit resulted in 10 yrs in prison for its controller for  
embezzlement of 1.6 m of public monies !!!

This watch dog concept will work perfectly in every city in America !

Hilton head Mayor bennett currently is in violation of public trust and his fiduciary  
responsibilities to tax payers and voters . He will have to decide soon what side  
of Justice he is on. Same will hold true for all mayors in all cities ,not just in SC ,  
but the entire in USA . Imagine how bad it has become with millions of our tax  
monies handed to these chambers CVBs DMOs and they all refuse an  
independent audit and SC foia laws . Many no contracts with the city and zero  
oversight .

Lawyer David Tigges chairman of McNair law firm is fighting me on this state  
wide. I will fight him to the Supreme Court and with press support . I plan on  
holding him liable as well as Paula Bethea head of our sc lottery for their past  
roles as Chairman of the Hilton head chamber and allowing it's dictator leader  
Bill miles who I am publicly calling a crook and thief of pubic monies to escape  
justice this long. 40 yrs and 60 Million giving to this Hhi chamber no contract  
imagine and the town manager and lawyers have not been fired . The reason is  
simple corruption!

Note the perfect chamber model for Sc is the "Greater Bluffton chamber "
