Subject: Celebrate Justice for Seniors on Giving Tuesday

Dear ToNew York,

Today is Giving Tuesday, a day when non-profits around the world celebrate the *Season of Giving*. You've heard from a few of our attorneys over the past few weeks telling you why they support Justice in Aging and asking you to join them and provide your support.

I know you care as much as I do about supporting the 6.4 million seniors living in poverty in America and the many more who are living on the edge.

I hope you'll consider supporting our work to fight senior poverty with a **\$10, \$25, or \$50 gift to Justice in Aging**. Your gift will allow us to do more case consultations, produce more webinars and resources, litigate more cases, and advance more policies that help advocates like you help the low-income older adults in our communities. And your contributions will be matched up to \$5,000 by me and the rest of our wonderful staff.

Thanks for all the work you do to support seniors. I know that together we
can ensure Justice in Aging!

Kevin Prindiville,
Executive Director

PS: Make your donation a monthly donation, and we'll send you a FREE Justice in Aging canvas tote bag.
