COL.,

Talked to Rob. Will you send a draft quote and confirm with 8 Days how it will be used? Also, if you prefer, we can connect 8 Days directly with Brian Symmes to hammer this out. Thanks for your patience!

Austin – any luck with a quote for our friends from 8 Days of Hope? I would be happy to prepare a recommendation if that would help. Thanks

No deadline that I am aware of. I would guess that he would want to post it on his website to demonstrate their contributions as a Faith-based Volunteer Organization to our disaster. Her comments would add credibility and legitimacy in the charitable world. Very similar to the Governor's endorsements of the OneSC Fund. Had we not had to deal with the Hurricane, I am sure there would have been a press conference during her visit with 8 Days of Hope AND there would have been a plethora of quotes to pull from. Thanks!

Will run it up the flagpole. What would quote be used for? Is there a deadline?

Austin -- need some help if possible. Bottom line -- 8 Days of Hope was a "Godsend" for the low country. They depend upon contributions from the public to keep them viable. Would you please ask the Governor if she would consider providing a sentence or two of support for the ministry and its' impact on SC? I will be happy to propose one if that is what is required. Thanks!!!

Hey brother!

Hope all is well in your world. Sure do appreciate your help, before and during our time there!

Can you secure a sentence from the governor that we can refer to, to show her appreciation for the ministry? Something simple would be great....

Thanks again for everything!!
