Laura Di Girolamo Simoes HISPark is near Parris Island, SC. nearer to Sav.GA and Charleston, SC. Maybe 3 1/2 hrs.(or a litle more) from MB - just add the time it takes from Fl. to MB. It's a beautiful campground. Seems like you're driving into heaven as you enter the property.

Jeff Atkins It was a blast! What a fun group of people to be around. Everyone should do this at least once in their life. However, it is addictive!
