I've contacted SC Disaster Recovery they do not have funds for the tornados because they weren't declared a federal disaster area, but they are going to provide me a list of volunteer organizations that may be able to help. I called the number below (thinking it was the constituent's) and left a message for Senator Rice.

Sen. Rex Rice called this morning and has some uninsured constituents that had tornado damage. Asked if there's any help for them. I told him I didn't know, but we'd check. (864) 616-5657
