The Honorable Nikki R. Haley:

Please vote to not allow the Muslim Syrian refugees into our country. After what happened in Paris last week, I don't want that to happen here. If we're going to let anyone in we should let the Christians in and not the Muslims. Let Saudi Arabia take them. It makes me think there's something wrong with them if their own kind won't take them. Maybe they're just bad people. Let's take the Christians. I haven't heard of any Christians being part of ISIS. Please do the right thing and keep our state safe.
