I have to teach in Charleston classes at 2:30-3:45 and 5:45-8:30 that day. I wouldn't be able to make it back in time if I come up. So my plan was to do the video streaming like I did on the first meeting. But if you want to try to meet prior, could I possibly call in for that? They won't allow call ins for the actual meeting, but for this prior one can I please do that?

Thanks
