Hi Tony,

Thanks for taking the time to speak with me.

As I mentioned, AgingCare.com is a free interactive community that connects people caring for their elderly parents to other caregivers, personalized information, and local resources. We receive over 500,000 unique visitors each month. It would be a great, free resource for your state

citizens!

For more than 5 years, visitors have come to AgingCare.com to read our caregiver specific content written by our editorial team.

Take a look here: <http://www.agingcare.com/Elder-Care>

Your SC citizens would definitely benefit if you included a link to our site as a Free National Resource for Caregivers here:

<http://aging.sc.gov/tools/Pages/AgingRelatedLinks.aspx>

Please let me know if I can be of any assistance and Happy New Year!

Thank you,
Richard

P.S.

Thanks for the great tips on SC BBQ. I look forward to testing them out on my next SC trip! :-)
