Katherine,

Thanks for getting back to me re: Mark Grainger. We ended up going through the SC Auto Dealers association to help get him unstuck. Mark is from Savannah, and will be a great addition to economic development of South Carolina. He bought a dealership in Columbia (I think).

My email is elizabeth@140six.com and phone is 770.316.8029 if you could please shoot me the contact for the campaign side. Thanks again, Elizabeth
