## **Description of the Incident**

Describe in your own words how you have been victimized.

Chuck Hagel heads the Department of Defense. He cannot ignore the huge critics America provokes due to its so-called aim to bring democracy to the countries in which it intervenes, which it in fact provides through bombs. Ukraine is an example which can be used for the number of Jews appearing in it is tremendous and can be seen as a signing. So-called leaks became viral on the internet. Victoria Nuland, the wife of Robert Kagan, neo-cons who co-founded the PNAC, was heard saying Fuck the EU. We can trust these leaks or not. I do not, due to the answer which comes obviously when the cui bono is asked. These leaks exposed America as responsible, conducting the coup against Yanoukovich. Fact is the ones involved in America as in Europa are Jews, and we know their strategy, exposed by Revilo among others.

Following, Ferguson is used by Russia to denounce America, to expose to the whole world it should first take care of its inside wars. Fact is the murderer was protected, and may have acted under orders, the aim being once again to disqualify America before the false proofs I am quite certain Russia took before the MH17 attack. What are the duties of a Defense Minister in such a context if not to provide the evidence? I even wonder if it is the President who has to do so. Fact is America has evidence and does not release them. Fact is also numerous quotes from Jews expose without the slightest doubt their aim to control the world and it is obvious when we glance at a website which presents who controls different sectors. Jews control America as Ariel Sharon told. America knows it. Jews know it.

Knowing it, if Chuck Hagel refused the high treason which rules the America, he would himself present the evidence. He does not, reason why I file this complaint. He acts against the country he is supposed to serve. The one who is presented as culprit is Barack Obama.
