Hi Chaney,

I cover the United Nations for Bloomberg News and since Governor Haley has been nominated to be the next US Ambassador to the UN, I was hoping you'd put me on your email list on relevant issues.

In that regard, Jan. 18 has been mentioned as a possible date for her confirmation hearings and I wondered if you could confirm that. Finally, we would be very interested in interviewing the Governor regarding her views on the UN and her mission.

Best regards,

Kambiz Foroohar
