Subject: Letter from President Gloria Lawlah to NASUAD membership

In recognition of NASUAD's 50th Anniversary, this summer I envisioned and sought each state's participation in a Golden Anniversary publication. For those of you who responded, I would like to express my thanks and appreciation.

However, today I became aware several states felt they were being pressured to participate and pay for their state page. That was certainly never the intent of the NASUAD Board. Some states conveyed they were prohibited from submitting and/or paying for a page in this type of publication. Wanting all states to be represented, the State of Maryland reached out to those governors to solicit a congratulatory letter, without any monetary contribution.

While clearly never the intent, contacting Governor's offices resulted in unintended issues for some of you and created dissatisfaction with NASUAD. I sincerely apologize, because this was certainly not my intent.

Respectful of concerns raised, we have decided to cancel the publication of the Golden Anniversary Journal. Any payments that have been made will be returned. If this publication is not seen as a unifying project, its value is diminished. I offer our sincerest apologies to any Members who felt pressured in any way as we were soliciting participation.

Once again, thank you for your support and for your feedback. I look forward to seeing you at the NASUAD membership meeting and the HCBS 2014 conference. Wishing you and yours a Happy Labor day.

A handwritten signature in black ink, reading "Gloria Lawlah". The signature is fluid and cursive, with the first name "Gloria" written in a larger, more prominent script than the last name "Lawlah".
