Mr. Young,

Since you were interested in the Ombudsman and South Carolina Vulnerable Adult Guardian ad Litem Program primarily, the first three lines of the report is the information that is relevant. The South Carolina Vulnerable Adult Guardian ad Litem is specifically state funds and created by state statute. Then, the revenue and expenditure follows in the order of the Lieutenant Governor Office for administration, Lieutenant Governor's Office on Aging, and followed by the various programs or statutory requirements, such as Silver Haired Legislature. Majority of our grants are related in to the Older American Act.

I will be glad to answer any questions and go over the information to ensure a clear understanding of the information. If we need to arrange to seat down, I am willing to make time as well. If I can be any further assistance, please let me know.

Ken,

Could you identify which line items pertain the Ombudsman program, the Older Americans Act program, and the Vulnerable Adult Guardian Ad Litem program as well as the line items that include more than one program? For many of the line items it seems clear, but for some I am uncertain.
