Usually 2 weeks but we can expedite if necessary.

The only issue I see here at first glance is that this looks like a board that is normally popularly elected. So this might be a situation where someone was elected and then resigned. I'm confident that the Governor would still want to appoint whoever the delegation recommends, however she may have the authority to appoint unilaterally without a recommendation. I would need to research the statute- and the Governor would need to give the final greenlight if I'm correct.

We can still expedite asap- just wanted you to be aware that I don't believe we normally make appointments to this board.
