Creating A New Model for a New Generation

AmeriHealth Caritas will gather thought leaders from across the country to commemorate the 50th Anniversary of Medicaid on July 30, 2015 – **50 years to the day when this landmark legislation was signed.**

With a daylong program featuring a keynote speech by acclaimed historian Doris Kearns Goodwin, AmeriHealth Caritas will convene top health care and public policy experts as speakers and panelists to discuss a new blueprint for one of the most impactful programs in our nation's history.
