Nikki,

Next year will be really exciting for conservatives.

We'll have a chance to repeal Obamacare, see a principled conservative appointed to the Supreme Court, and secure the border.

And we'll also have a chance to rein in government and restore the vision the Founders laid out in the Constitution.

Your year-end gift to Heritage will help make this vision a reality. Donate here: <https://www.myheritage.org/stand-with-heritage>

**And when you make a year-end gift of \$25 or more we will send you five pocket-size Constitutions for you to share with your family and friends.**

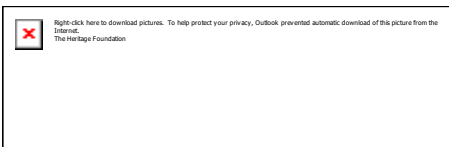

**All Americans should have a copy of the Constitution.** All of us -- and especially our children and grandchildren -- need to study our founding documents and learn how the Constitution has made America the freest, most prosperous nation in human history.

Make your tax-deductible donation to Heritage before midnight on December 31 and get five pocket-size Constitutions.

Thanks as always for your passion and dedication to the principles that made America great.

Jim DeMint  
President
