Subject: H 3360 (Owens) State Highway System

---

H.3360 passed in the House today...109-0 on 2<sup>nd</sup> yesterday and 87-0 on 3<sup>rd</sup> today. It makes it easier for the state and the locals/counties to negotiate deals to exchange road segments with each other on a mutual consent basis. This is important to getting us to a more rational and efficient state highway system.

It hasn't been formally referred to a committee in the Senate yet, but will presumably go to Transportation. It's a bill we'd like to see passed, so if Sen. Grooms could slot it for a prompt committee meeting, that would be helpful. Thanks.
