Dear Sir or Madam:

The grant award listed below has been approved for the period 10/01/2009 - 09/30/2010 under Appropriation **75X0518** Centers for Medicare & Medicaid Services. Any unused grant award authority may be carried forward and used in a subsequent period.

Disproportionate Share Hospital Payments

\$16,303,876

The above listed grant awards provide Federal funds for expenditures made in accordance with your State plan approved under Title XIX of the Social Security Act (the Act) for adjustment in payments for inpatient hospital services furnished by a disproportionate share hospital (DSH). The amount of this grant award is authorized under the provisions of section 1923(f)(3)(E) of the Act, as amended by section 5002 of the American Recovery and Reinvestment Act of 2009 (ARRA, Public Law 111-5, enacted on February 17, 2009), providing for a "Temporary Increase in DSH Allotments During Recession". This grant award represents only the amount of the increase in your State's DSH allotment for FY 2010, as provided under section 1923(f)(3)(E) of the Act. The amount of this grant award does not include the amount of funds associated with your State's DSH allotment for FY 2010 as otherwise determined under section 1923(f) of the Act. Federal funds for expenditures for DSH payments related to the increase in your DSH allotment as provided under the ARRA provisions are only available after the DSH allotment prior to such increase has been exhausted. Federal funds are not available for expenditures for DSH payments in excess of the DSH allotment for the fiscal year.

Computation of this award is shown on the enclosed statement.

With the acceptance of this award, you agree to be responsible for limiting the drawing of Federal funds so as to minimize Federal cash on hand in accordance with policies established in Treasury Circular 1075 (Revised), and procedures established by the Department of Health and Human Services. You also agree to submit timely reports as required. Withdrawals of Federal funds are not to exceed the individual programmatic grant awards shown above. You also are required to provide for effective control over the accountability for all Federal funds as stated in Office of Management and Budget Circular No. 1075 (Revised). Failure to adhere to the above requirements may cause the unobligated portion of your letter-of-credit to be revoked. Part 92, Title 45, Code of Federal Regulations implements these circulars for this Department.

Any questions you may have in connection with the grant award should be referred to the appropriate Centers for Medicare & Medicaid Services regional office financial contact for your State.

Payment under this award will be made by the Department of Health and Human Services, Payment Management System administered by the Division of Payment Management (DPM), Program Support Center. Inquiries regarding payment should be directed to:

Memorandum

DSH Adjustment

The law required that the yearly limitation on DSH expenditures be calculated against the total computable for Fiscal Years 1993 through 1997. However, Section 4721(A) of the Balance Budget Act (BBA) of 1998 replaced the current DSH allotment methodology with statutorily defined Federal DSH allotments. For Fiscal Years 1998 through 2006, the Federal DSH allotments are listed in the Statute under 1923 (F) of the Act.
