**Mary Hrbek** Why isn't all SC state parks listed to vote? We love Croft State Park and the have great bike trails nice kyacks and great camping. Bathrooms are very clean and all the people there are very friendly and helpful. The only thing that would make this park over the top is full hookup for camping!!

**Christopher Rosafort** I definitely wish we had an option to vote for more than what was offered as options, maybe next year consider a drop down box for an answer with all of the parks listed .

**Bobby Montgomery** I agree with some of the posts above. Why not allow the park visitors to decide which parks have the best of each category and and tally the votes based on that. Rather than posting parks and having us vote on listed parks. There were several parks left off of the survey that have the same or better qualities as those listed. But, not listed to vote on.

Just a suggestion for next year. Thanks.
