Grace and Peace to one and all,

I honour God the Creator and Father of all lives as I respond to the emails from Cowie Comen who is currently Coordinating this year's South Carolina Interfaith Harmony Month, Stuart S. Weeks of "We the People" The Inaugural Forum on Race - Keeping the Faith, Emily Lewis and Merrie Turner, of Presidential Inaugural Prayer Breakfast, Inc. and Christian Newswire Media, at this auspicious moment in the History of this great nation, of the United States of America.

There are certainly no coincidences in life. The wise man Solomon said *"I have seen the travail, which God has given to the sons of men to be exercised in it. He has made everything beautiful in His time: and He has set the world in their heart, so that no man can find out the work that God makes from the beginning to the end."* (Ecclesiastes 3:10-11)

Congratulations Governor Nikki R. Haley, who in your capacity as Governor of the Great State of South Carolina, Proclaimed January 2014 as South Carolina's Interfaith Harmony Month throughout the state and thus encouraged all South Carolinians *to work together to foster appreciation for the different faiths, beliefs and cultures, found in the Palmetto State.* I believe your pick by President - elect Trump as US Ambassador to the United Nations is God's reward to you since you are the first person outside of the President - elect's close inner circle of loyalists to be given a prominent position in his administration.

It is important at this point to appreciate that *South Carolina Interfaith Harmony Month that will be observed on Thursday, January 19th 2017, is taking place at a very crucial moment when this Great Nation needs Healing following the differences that were brought about by the election campaigns as we all witnessed.* The choice of Nikki Haley by President - elect Trump, is a clear demonstration that national interests are more important than personal priorities. Thus nothing puts this point more clearly than was said by VOX "Trump was clearly able to look past their previous public spat and is willing to give her a chance, which indeed bodes well for the future of their working relationship."

I arrived as a Missionary on Divine assignment to the USA in 2013 and in 2014 was in Ferguson, St Louis MO, as part of the Prayer Team Praying for Peace during the chaos following the shooting of the young teenager Mike Brown.

BLOWING THE SHOFAR is an Instrument of Peace, Healing and Harmony not just among people of different faiths, cultures, tribes and nationalities, but it also reminds us that God is Sovereign and encompasses the three arms of Government; For the LORD is our Judge (Court - Justice), The LORD is our Lawgiver (Elected -Legislators), The LORD IS OUR KING (Elected - President). "It is He who will save us" (Isaiah 33:22).

I applaud The Presidential Inaugural Prayer Breakfast Inc. a Non-Partisan and Non-Denominational Organization for the steadfast Prayers for the OFFICE OF THE PRESIDENT since 1993 (24 years) in line with **1 Timothy 2:1-2 "I urge, then, first of all, that requests, PRAYERS, INTERCESSIONS, and THANKSGIVING be made for everyone - for kings and all in authority, that they may live PEACEFUL and QUIET lives in all Godliness and Holiness."**

May the affirmation of the commitment to Interfaith harmony, religious liberty, and tolerance for diverse traditions and beliefs contribute to the continued strength and prosperity of this Great Nation of the United States of America.

America, the world is watching you. Turn back to God, He is your strength. America, your Faithful Friends are Praying with and for you because we need each other in our diversities. America, United we stand, Divided we fall.

In the service of our LORD,

John A. Bulinda.

WASHINGTON, Jan. 18, 2017 /[Christian Newswire](http://ChristianNewswire.com)/ -- Presidential Inaugural Prayer Breakfast Inc., a non-partisan and non-denominational organization, has been praying for the office of the President since 1993. As we had prayed for President Obama four years ago, we are here to pray for and lift up President Donald Trump and Vice President Michael Pence; fulfilling 1 Timothy 2:1-2, "I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people- 2 for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness."

Founded by Ruth Heflin, and her National Coordinators, the seventh quadrennial Presidential Inaugural Prayer Breakfast will be held on January 20th at 7:00 am, remaining at the venue of the Trump International Hotel at 1100 Pennsylvania Avenue, Washington, DC. The event Hostess, Merrie Turner, daughter of LT. Col. Arrington Brent Turner and Beulah Turner of Roanoke Virginia, who is best known as an advocate for the unborn and the pursuit for their personhood stated that she chose this site because of the location of the old Postal Pavilion, which houses the bells of Congress. It is an American landmark, in close proximity to both the White House and the US Capitol, along the Inaugural Parade Route of Pennsylvania Avenue. Reverend Turner has stated, "We are gathering together for prayer and supplication to the Lord, for all our Religious and Government Leaders, with the understanding that God has intervened in the course of this nation and given us a reprieve from His judgment! It is our honor to pray for the office of the Presidency, for revival in the United States of America, and to invoke His blessings on all the people. The fourteenth amendment of the Declaration of Independence guarantees the right to Life, Liberty and the Pursuit of Happiness!" The event will be attended by confirmed guests who are Members of Congress, Foreign Dignitaries including members of the Knessett, Evangelical Leaders and people of faith.

There will be a press conference outside of the Trump International Hotel, near the Ben Franklin Statue Thursday January 19, 2017 at 3:00 pm
