Hi Brian,

I'm working on a story about a comment in Gov. Haley's SOTU response last night. She said the Republican Party needs to respect all modern families but defend religious liberty. The Platform Reform group, which is pushing for the Republican Party to change its platform to be neutral on gay marriage, said they think this is a tacit endorsement of their goal. Is that correct? Does Gov. Haley think the GOP should be neutral on gay marriage?

My deadline is 1 p.m. ET today. Feel free to call my cell phone if you need to, 540.454.8293. Thanks.
